

Clatsop Care Center's February Activities Newsletter

Hello Family, Friends and Residents,

Well, the first month of the New Year is behind us and now we welcome February. January was a very good month with lots of activities and fun days. In January, we began a new birthday tradition. As a group we celebrate all of the resident birthdays for that month at once. The residents who have a birthday, will get their own personal birthday cake at this celebration. It is a great way to make the residents feel special. January was our first month with having Bingo five days a week and with new prizes. The resident feedback has been very positive, and we will be adding bingo on Saturday afternoons as well beginning in February. Bingo, Bingo, Bingo! There are lots of fun celebrations happening in February, and some new activities that have been added. I look forward to the upcoming month and all the fun we will have.

Thank you,

Jade Rainaud
